

Filming Checklist

- Prepare notes
- Have you got consent forms for everyone you're filming?
- Plan your video
- Think about your background
- Audio check – Do you have a microphone? If not, your phone will do!
- Light check – Use natural lighting, don't have the camera facing a window
- Camera placement – Is someone filming, have you got a tripod?
- Airplane mode if using a phone
- Quick test (practice makes perfect)
- Don't forget to smile
- Record your video!
